Commissioner Rainer:

As you are well aware, the City of St. Marys has decided to move forward with the relocation of the St. Marys Airport and we are requesting letters supporting this decision. To clarify, we are only asking for written acknowledgment of your support of the idea and we expect no financial assistance of any sort. Your written encouragement of this project may assist us in acquiring federal funds to help facilitate the relocation. Strong community support is a major factor in acquiring funds for a project such as this and we would greatly appreciate yours.

Thank you in advance for your assistance in this matter and I look forward to your response.

Sincerely,
