### Camden County H.O.P.E. Committee's First Food Drive A Success!

**Woodbine, GA – January 03, 2009:** The Camden County Employees H.O.P.E. Committee is pleased to announce the success of its first food drive. Thanks to the generous donations of our county employees, we were able to provide over 400 pounds of food to Missions for Camden to help those in need with nonperishable food items. This event was such a success, the H.O.P.E. Committee plans to initiate another food drive in November in an effort to ensure that all of our residents are able to share a meal and give thanks during the day of Thanksgiving.
