Unincorporated Camden County Recycling Survey

WOODBINE, Ga. — September 10, 2021 — Unincorporated Camden County residents are strongly encouraged to participate in a survey to provide input on the recycling program for unincorporated Camden County, Georgia.

“This is an excellent opportunity for unincorporated Camden County residents to share their thoughts about curbside recycling service,” said Deputy County Administrator Shawn Boatright. “We want to make informed decisions for future recycling services as we review proposals for curbside collection services.”

This anonymous survey should only take two minutes to complete and asks questions about current waste management habits. Please note that residents of the cities located inside Camden County should not participate in this survey. A [direct link](http://www.camdencountyga.gov/RecyclingSurvey) to the survey is available on the Camden County website at: <http://www.camdencountyga.gov/RecyclingSurvey>.
