FOR IMMEDIATE RELEASE

Take Action during Cybersecurity Awareness Month

WOODBINE, Ga. – October 5, 2021 – October is Cybersecurity Awareness Month and Camden County Emergency Management Agency (EMA) is joining with the Georgia Emergency Management Agency (GEMA) and the Camden County Chief Information Officer to encourage local citizens to take time to learn more about staying cyber secure.

“We encourage preparedness for all emergencies and taking the necessary steps to stop unauthorized access or damage to a computer system may prevent the loss of personal information,” said Camden County Emergency Management Director Chuck White. “Cyber Security Awareness Month is a great opportunity for Camden County citizens to learn how to protect themselves before a cyber-attack occurs.”

With the theme of “Do Your Part. #BeCyberSmart,” Camden County residents are encouraged to take action to protect their part of cyberspace. Weekly themes include:

- Be Cyber Smart;
- Fight the Phish;
- Explore, Experience, Share; and
- Cybersecurity First.

Specific information and tips will be posted throughout the month on the Camden County EMA’s [Facebook](#) and [Twitter](#) accounts. Residents can learn more tips on how to become cyber and tech ready by visiting gema.georgia.gov/plan-prepare/ready-georgia.

About Camden County: Located in the extreme southeast corner of Georgia, Camden County truly is “Georgia’s Coastal Community of Choice.” Originally formed in 1777, Camden County is best known for its rich history, natural scenic beauty and Southern hospitality. Our vision is helping to make this the best place to live by preserving and enhancing the history and quality of life, while promoting smart growth and providing an efficient, effective and responsive government.
