FOR IMMEDIATE RELEASE

Camden County Launches *Operation Green Light*

WOODBINE, Ga. — November 7, 2022 — The Camden County Board of Commissioners announce that some county buildings will be illuminated green November 7-13, 2022, as part of Operation Green Light, a new national collaborative initiative between Camden County, ACCG, the National Association of Counties (NACo), and the National Association of County Veteran Service Officers to support military veterans, as well as raise awareness about the unique challenges faced by many veterans and the resources that are available at the county, state, and federal level to assist veterans and their families.

Operation Green Light's mission is to show support for veterans of all military conflicts, as well as raise awareness about the unique challenges faced by many veterans (and their families) and the resources that are available at the county, state, and federal level to assist veterans and their families.

Residents are encouraged to participate by simply changing one light bulb in their house to a green bulb. This can be an exterior light that neighbors and passersby see, or an interior light that sparks a conversation with friends. By shining a green light, we are letting our veterans know that they are seen, appreciated, and supported.

While this event is focused around the week of Veterans Day, participants are encouraged to continue shining the light year-round. Participants are encouraged to share their participation on social media using the hashtag #OperationGreenLight.

Visit naco.org/operationgreenlight for more information and links to resources available to veterans.
