Office of Curbside Collections

NOTICE IS HEREBY GIVEN that the Board of County Commissioners approved a rate increase for Curbside Collection at the March 7, 2023 regular scheduled meeting. The annual rate of \$300.00 is effective July 1, 2023 and will be billed quarterly.

EFFECTIVE JULY 1, 2023

QUARTERLY RATE

\$75.00

The Board works hard to provide reasonable rates for curbside collection services, doing everything possible to keep the rate as low as possible and still cover costs. This increase is in keeping with the Board's initiative to cut out subsidies to fee based services.

If you have any questions regarding this rate increase, please feel free to call our office at the number above.
