## DELIVERED ELECTRONICALLY

RE: JDA Board Appointment

Dear Chairman Rainer:

The term of John McDill, Chairman of the Camden County JDA Board, expires June 30, 2010. John offers a unique combination of experience with both the local business community and the development authority. His history in the area, professional relationships, and knowledge are valuable assets. John and I have worked closely during the past year on many new initiatives. It would be helpful to me if John were to continue on the board and provide leadership continuity as we push these initiatives forward.

I have spoken with John and he is willing to continue his service to the County if so appointed. I am writing to inform you of his expiring term and to respectfully request his re-appointment to the Board.

Thank you for your consideration of this matter, and please call if I may be of service.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "David Keating".

David Keating  
Executive Director
