Camden County Employees Making a Difference

Woodbine, GA January 23, 2008: The Camden County Board of Commissioners has authorized the formation of a Charity Committee comprised of 12 employees from various county departments. The first initiative that this committee and many other volunteers from throughout the County government are undertaking will be the American Cancer Society's Relay for Life.

County employees will be at different locations throughout the county raising money through various methods for this worthwhile cause. Donations can also be made through the Board of Commissioners Office. If you would like to make a donation, please contact Diana Smith at 912-576-6773.

We look forward to giving back to our community and hope to make a difference now and in many years to follow.

Please come show your support to those who have fought, are fighting and those, who have after a diligent fight, lost the battle with cancer at Relay for Life on April 18th & 19th.
