**FOR IMMEDIATE RELEASE**

## Spaceport Camden Conceptual Images Released

**WOODBINE, GEORGIA – October 28, 2015** –The Board of County Commissioners are proud to release conceptual images of Spaceport Camden. It is important for all stakeholders to be able to visually see what Spaceport Camden could look like. To see Spaceport Camden conceptually developed allows the opportunity for a close up view of what the possibilities can become. Images can be viewed at [www.spaceportcamden.us](http://www.spaceportcamden.us). County Administrator, Steve Howard said, I’m thrilled we are able to share these images with the public which gives everyone a glance of what Spaceport Camden may look like in the future.

**About Spaceport Camden:** Our Vision is to develop a successful world class spaceport through a public-private partnership that establishes Camden County as the Space Center of the United States. Our Mission is to create the premier spaceport strategically positioned to provide economic diversity with a competitive advantage for the space sector, Camden County, the State of Georgia and the United States of America. For more information please view our website at [www.SpaceportCamden.us](http://www.SpaceportCamden.us).
