## Camden County Citizens' Academy Now Accepting Applications

**WOODBINE, GEORGIA – March 21, 2017** - The Board of County Commissioners would like to invite local area residents to apply for the next Citizens' Academy class beginning in April. Spring 2017 applications are now being accepted. The upcoming Citizens' Academy begins Thursday, April 20, 2017 at 6:00 PM at the Government Services Complex on the 2nd Floor, in Woodbine.

The Citizens' Academy is an interactive program designed to familiarize the general public with the roles, services and operations that comprise Camden County Government. The program will focus on educating residents, business owners, and interested persons who work in Camden County on how daily County Government operations contribute to building a better community. Various County staff and elected officials will host the sessions.

Classes are limited to the first 25 applicants signed up. The Academy is a 9 week program held every Thursday night, with the exception of one class held on a Tuesday night so the class may attend a Commissioners Meeting, as well as a Saturday morning field trip outing. All citizens of the community are encouraged and welcome to apply.

For more information and to complete an application, please go to [www.camdencountyga.gov](http://www.camdencountyga.gov) and click the Citizens' Academy logo on the home page. If you have any questions please call Renee' Crews or Shannon Nettles at 912-510-0464.
