FOR IMMEDIATE RELEASE

Christmas Tree Recycling

WOODBINE, GEORGIA – December 21, 2017 – The Camden County Solid Waste Authority has partnered with the Camden County Extension Office, 4-H, and the Georgia Forestry Commission to host a Christmas tree recycling event on Saturday, January 6, 2018, at the Old Still yard waste site located at 4884 Old Still Road in Kingsland. Trees may be dropped off between 7:00 a.m. and 3:00 p.m.

"The Solid Waste Authority is excited to work with our local partners in this County-wide recycling event," said Jimmy Starline, Chair of the Solid Waste Authority. "This is a safe and responsible option for disposing your Christmas trees while doing something good for the environment."

Seedlings will be given to the first 100 participants. Everyone is encouraged to give a gift to nature this holiday season by recycling your Christmas tree. Your tree of Christmas past can give our community a cleaner future.
