**Camden County Board of Commissioners
 Breaks Ground on New Fire Station**

WOODBINE, GEORGIA – October 3, 2018 – The Camden County Board of Commissioners broke ground on a new Fire Station 18 in the Tarboro area of northwestern Camden County. Replacing the existing fire station, the new Fire Station 18 will be adjacent to Mary B. Smart Park on New Post Road in White Oak.

“We are excited to bring a new fire station to the Tarboro community,” said District 1 Commissioner Lannie Brant. “This is something for the local residents to be very proud of as Camden County strives to continuously improve facilities and services offered to our residents.”

In addition to three apparatus bays, the new Fire Station 18 will feature a public area to serve as a voting precinct. Designed by Roberts Civil Engineering, Bent Pine Construction will build the new station. The \$491,955 project will be paid for with SPLOST VII funds and is expected to be completed in May 2019.

Due to construction, visitors to Mary B. Smart Park should park in the existing Fire Station 18 parking lot.
